

300 Hr ADVANCED YOGA TEACHER TRAINING APPLICATION

Thank you for your interest in the Yogasaar programs. This packet contains detailed information about the program and the application form. We hope you will join us for this unique and life- changing experience.

PROGRAM HIGHLIGHTS

1.Our approach to the teacher training is based on the realization that asanas (postures) are not just stretches; rather, they are a state of natural, intuitive poise that radiates outwards from within. We believe that yoga teachers should not only instruct on safety, alignment and muscular aspects of an asana, but also convey the deep inner awareness and uplifted states of consciousness that are the true goal of any sadhana (yogic discipline).

2.The goal of Yogasaar is to expand the light of yoga so that yoga can be a way of life for anyone and everyone. We aim to bring the living truth of yoga into everyday life, relationship with ourselves and others and into our community.

3.We at Yogasaar believe that every student is already perfect, sacred and good in every way. For this reason we neither judge nor compare anyone's ability or understanding in any way. Our intention is to facilitate and support the awakening of the realization of this truth of perfection in each student.

4. As Yogasaar teacher's while teaching we keep our complete focus on the class and the students. While teaching we never do our personal practice however we do demonstrate poses,assist and make adjustments as needed.

5. As Yogasaar teachers we create and encourage a welcoming and safe environment for all students regardless of age, physical limitations,race,creed,gender,ethnicity,religious affiliations or sexual orientation.

6..Yogasaar trainings are meant for aspiring yoga teachers as well as serious students who want to deepen their practice and integrate yoga into their lifestyle. While the main focus will be asanas, you will also learn classical techniques of meditation and pranayama (breathing and Life Force control) techniques, study essential yoga & Buddhist philosophy, and learn to apply these time-honored techniques into your personal life.

7..The trainings are designed to be an immersion, retreat like experience, but is also sensitive to the timing constraints of aspirants with full-time jobs. It is well worth the work you put into it, but you don't have to give up your week-day job.

8.Our class size is small (20 students max). This means more individual attention for you. We offer a high quality curriculum and professional training that is registered with Yoga Alliance at 500 hours, so graduates can immediately become 500 hr Registered Yoga Teachers.
